Quality Policy Statement

Franklin Hodge Industries Ltd is involved in the design and installation of site bolted liquid storage tanks, structural steel work to EN1090 standards and the design, manufacture and installation of silos, industrial cooling systems and their associated business administration, it has a vision to be associated with professionalism and innovation together with faultless and safe contract delivery in every operational area.

A key way to achieve this is by operating a Quality Management System (QMS) in accordance with the requirements of ISO 9001: 2015 and made specific to the requirements of EN1090 where applicable.

Top Management is committed to:

- Satisfying applicable requirements by ensuring that customers and applicable statutory and regulatory requirements are determined, understood and consistently met.
- Continual improvement of the QMS by ensuring the risks and opportunities that can affect conformity of products and services and the ability to enhance customer satisfaction are determined and addressed and the focus on enhancing customer satisfaction is maintained.

Top management shall:

- Take account of the effectiveness of the QMS.
- Ensure the quality policy and the quality objectives are established for the QMS and are compatible with the content and strategic direction of the Company. Quality objectives have been set and are maintained as part of the QMS internal auditing, monitoring and management review processes, in order to enhance customer satisfaction.
- Promote the use of a process approach and risk – based thinking.
- Ensure that the resources needed for the QMS are available; including training, support and encouragement.
- Communicate the importance of effective quality management and of conforming to the QMS requirements.
- Ensuring that the QMS achieves its intended results.
- Engage, direct and support persons to contribute to contribute to the effectiveness of the QMS.
- Promote improvement.
- Support other management roles to demonstrate their leadership as it applies to their areas of responsibility.
- Ensure partnerships with suppliers and interested parties to provide an improved service.

This policy will be communicated to all employees and organisations working for or on our behalf.

Employees and other organisations are expected to co-operate and assist in the implementation of this policy, whilst ensuring that their own work, so far as is reasonably practicable, is carried out without risk to themselves, others, or the environment.

This policy will be reviewed annually by top management and where deemed necessary will be amended and re-issued.

The policy is available to relevant interested parties, upon reasonable request.
